PROPERTY DESCRIPTION

www.2573PineFlat.com

Welcome to one of the finest pieces of Bonny Doon real estate in the Santa Cruz Mountains! Formerly operating as a vineyard and then a horse property, this expansive estate is zoned A for Agriculture. This zoning designation allows organic bio-dynamic farming, French intensive gardens, and raising livestock including horses, llamas and alpacas!

The elegant farmhouse has been remodeled to the strictest standards and features Fine Homes Magazine-type detailing: antique wide-plank chestnut floors, top of the line fixtures, concrete kitchen counters, marble bath vanity tops, a walk-in closet for the master bedroom, huge amounts of storage, a cutting edge photovoltaic electric system, a loft/game room with built-in bunk beds, a wrap-around covered porch, and lots of natural light!

The property also features an attractive potting shed combined with a greenhouse situated within a deer-proof herb, flower and veggie garden. The home is right on the bus line, with a bus stop just out front. You can walk to the fine Bonny Doon School, the incredible Bonny Doon Church, and it's just a short drive to the Bonny Doon Vineyard Tasting Room!
