PROPERTY DESCRIPTION

This spacious, polished, craftsman gem features a new gourmet kitchen, wine cellar, all house audio, new baths, new carpet, and breathtaking vistas. Superbly crafted custom decks wrap around the house on three sides maximizing access to views and outdoor entertaining possibilities. Decks utilize clear rails to prevent obstruction of views of valley and woods. This home not only affords incredible views of Fall Creek State Park, it also includes direct park access! The 9.75 acre parcel is bordered on 2 sides by the park and with the RA zoning which allows horses it offers the equally enviable possibilities of full immersion in the natural splendor of the area on foot or horseback as well as the chance to pull up a cozy chair, a good book and a cup of coffee to admire it from afar. While lovely cedar shingles cover the entire exterior of the house the interior is no less impressive. Exquisite craftsman details are highlighted by solid oak construction, intricate walnut inlaid floors and a gracefully flowing floor plan. Send your children to the highly touted Bonny Doon School and enjoy an easy commute to UCSC and Scotts Valley.
