## PROPERTY DESCRIPTION

Emerging from the tree lined private drive you get your first glimpse of the classic simplicity with which this property has been cultivated. The 2 bedroom caretaker's house welcomes you to this calm yet delightfully diverse oasis. The sunny 9 acre meadow is perfect for crops or a vineyard, both of which have thrived here in the past. Trails lead from the meadow past stands of oak, madrone and redwood to the year round Mill Creek which flows to the Pacific just down the hill. We have reports of more than one uncut first growth redwood on this parcel! Originally a working family run ranch, the main house was built in 1951 and features 3 spacious bedrooms, an ENORMOUS multi-cook kitchen flowing to a wide open great room. The charmingly comfortable guest cabin is tucked behind and under a magnificent wysteria. The third home is a late 1970's Tahoe style 3 bedroom with au pere facility, office/loft and a massive wine cellar. Many outbuildings and accessory structures, including a commercial greenhouse and an in ground pool, complete the masterpiece that is this property.
